Enter # of Years Operating Without A License	Current Year	Total Years	License		Fee Type	License Fee		Total Years		Total Fees Due	
			Cylinder Handling		Flat*	\$ 223.50	X		=		
Total Painstatement Fees Due											

All required fees must be prepaid for application to be processed. Fees are non-refundable.

*Note: Engineering and/or Inspection services may be required to reinstate the license/ registration and will be billed as a separate fee

*Flat fees relating to engineering services or initial inspection may be subject to additional billing if engineering submissions are inadequate or require excessive engineering review/initial inspection time. Additional billing, if any, will be billed in 1/4 hour increments at the applicable hourly labour rate based on TSSA's posted fee schedule. All labour rates are per inspector or engineer.

All additional follow-up inspections are billed in accordance with the TSSA fee schedule.

Legal Disclaimer - The owner agrees to hold harmless the Technical Standards and Safety Authority, its employees, agents, successors and assigns from any and all damages, actions, suits, claims or loss arising from the use, approval or refusal to approve of the appliance, equipment or work to which this approval applies. In the event of claims made against TSSA arising from the use of the appliance, equipment or work the owner accepts, on demand to defend such actions on behalf of TSSA and to assume any costs legal or otherwise for the defence or settlement of such claims. Failure to comply with any of the terms and conditions of the approval voids the approval.
