Reinstatement Application for an Elevating Device License

Under Ontario's Technical Standards and Safety Act Elevating Devices Regulation

For a successful inspection to put your device back in service, please contact your maintenance contractor to ensure the following work is completed/confirmed:

- Compliance with any outstanding inspector orders and/or safety tasks
- Compliance with any applicable codes
- Compliance with any applicable safety requirements ie. director's orders, manufacturer bulletins, etc
- Required maintenance and logbook are up-to-date
- Access to all areas of the device required for inspection ie. Lobbies and machine room

If this work is not complete:

- The device will not be put back into service
- The Inspector will issue orders for all the non-compliances to be corrected
- A Follow-Up inspection will be required
- Additional fees will be applied

Declaration: I hereby declare that as the owner/licensee of this elevating device, I am responsible for the operation of the device and for ensuring that the device is properly serviced and maintained by a maintenance contractor as required by O.Reg 209/01 (Elevating Devices).

The Reinstatement Fee is non-refundable

Note: This application will not be processed without the required Reinstatement fee
