
Notice: Members of the general public or consumer advocates with interest in promoting public safety. Experience in the ski resort sector is an asset.

The Consumers Advisory Council is seeking to recruit members to add to the broad range of public and consumer interests and perspectives on the Council.

The mandate of the Consumers Advisory Council (CAC) is to provide independent, non-partisan advice and guidance on any aspect of the Technical Standards and Safety Authority’s (TSSA’s) operations which:

- has an impact on the public or on consumers who are purchasers or users of products and/or devices regulated by TSSA; or
- affects public safety of activities regulated by TSSA.

Such advice and guidance will assist TSSA in successfully achieving its mission to enhance public safety.

In support of its mandate, the council provides the President and CEO with observations, identifies gaps, and recommends opportunities for improvement with respect to TSSA’s services, policies and actions, including but not limited to TSSA’s:

- reporting of, and response to, safety incidents and trends;
- provision of public safety education; and
- reporting of, and responding to, specific issues and trends.

The Consumers Advisory Council is seeking a member with a background in science, research and education, and/or consumer advocacy. Per the Terms of Reference, the new member will also sit on TSSA’s Ski Lift Industry Advisory Council, as such, a background in this sector is an asset. A description of the Council mandate and structure as found in the Council Terms of Reference is posted on the TSSA website:

Visit the TSSA website to access information about the Consumers Advisory Council, including the minutes of past meetings:

If you are interested in applying, please submit a letter of interest and resume later than July 31st, 2020. The letter of intent should include a statement of the applicant’s background and interests relevant to the Council, such as relevant previous work, consumer or service advocacy, or volunteerism with consumers, and any special interests in one or more of the technical areas regulated by TSSA or public safety in general. Please submit both the resume and letter of interest to:
