TSSA IS ONTARIO’S PUBLIC SAFETY REGULATOR FOR:

- Amusement Rides
- Boilers and Pressure Vessels
- Fuels
- Operating Engineers
- Ski Lifts
- Escalators
- Elevators

TSSA Safety Dashboard Fiscal Year 2019
May 1, 2018 - April 30, 2019

For more information visit TSSA.org

Areas of Concern for TSSA in 2019:

- Carbon Monoxide (CO) Risks in Apartments and Condominiums
- Elevator Risks in Hospitals
- Fuel Risks in Private Dwellings
- User Interactions on Elevators in Retirement and Long-Term Care Homes
- Fuel Risks in Schools
- Fuel Risks in Business Units

INCIDENTS and NEAR-MISSES**

- Amusement Rides: 29
- Fuels: 13
- Escalators: 3
- Elevators: 2
- Ski Lifts: 1
- Boilers and Pressure Vessels: 0
- Operating Plants: 0

- 2,612 Fuels
- 1,146 Amusement Rides
- 769 Escalators
- 659 Elevators
- 81 Ski Lifts
- 22 Operating Plants
- 13 Boilers and Pressure Vessels

**A near-miss is an incident without any property damage or injury.

PERMANENT INJURIES

- Amusement Rides: 29
- Fuels: 13
- Escalators: 3
- Elevators: 2
- Ski Lifts: 1
- Boilers and Pressure Vessels: 0
- Operating Plants: 0

FATALITIES

- 1 Amusement Ride Fatality
- 0 Fatalities in All Other Areas

PERCENTAGE OF DEVICES AND SITES CONSIDERED LOW RISK*

- 93.6% Amusement Rides
- 96.9% Elevators
- 97.1% Escalators
- 88.8% Ski Lifts
- 81.2% Operating Plants
- 89.6% Propane Facilities
- 80.9% Liquid Fuels Facilities

*Red indicates the percentage of high risk devices and sites.

CORE SERVICES

- Public education and consumer information
- Licensing and registration
- Inspections
- Compliance support
- Enforcement and prosecution activities
- Certifications
- Engineering design reviews
- Investigations
- Safety management consultations
