C. REGISTRATION AND EXAMINATION PROCEDURES:

- a) Examination candidates are encouraged to review the online examination schedule, at www.tssa.org, before submitting an examination application to confirm examination availability. Due to a limited number of examination seats, applications are accepted on a first come, first served basis.
- b) Examination candidates are strongly encouraged to submit a completed examination application via email to: certandexams@tssa.org, a minimum of 15 business days prior to the scheduled examination date. Examination applications can also be submitted via fax to 416.231.4903. Note: it is the responsibility for the examination candidate to ensure the examination pre-payment is received, where TSSA is unable to collect the applicable pre-payment the examination candidate will not be permitted to write the applicable examination. If the non-refundable pre-payment is unable to be processed, a TSSA representative will contact you directly for immediate resolution.
- c) Applicants are solely responsible for confirming the examination date, time and location by contacting TSSA Customer Service 1.877.682.8772 or via email to: certandexams@tssa.org.

- e) On the day of the examination, candidates must produce at least one piece of government issued photo identification (i.e. valid driver's licence, Passport, or a Provincial Identification Card). - g) Examination candidates are expected to follow the approved procedures of the examination centre or MTCU office. The administrator or invigilator reserves the right to permit food, beverages, washroom breaks, etc. during an examination. Exceptions are considered and reviewed on a case by case basis; however, must be requested by the examination candidate at the time of scheduling, a minimum of 10 business days prior to the scheduled examination date.
- h) Examination security will be strictly enforced. The examination administrator or invigilator reserves the right to revoke an examination at any time if the examination candidate is found to be in violation of the TSSA examination or MTCU procedures. The examination candidate will be subject to further investigation, which may result in the revocation of an authorization or restrictions may be applied to all future examinations.
