**Fee:** 2 x Standard fee for engineering review and inspection services.

**Legal Disclaimer** - In providing environmental review services, Technical Standards and Safety Authority makes no representations or warranties regarding the environmental state of a property, the presence or absence of contaminants at the property, or the fitness of the property or equipment for any particular use. TSSA does not authorize any party to rely on any finding, assessment or determination made during the course of an environmental review. TSSA reserves the right to make a final determination of who is the owner of a property or equipment regardless of the information provided in this form. TSSA will send invoices to the invoicee listed above for the convenience of the owner of the property or equipment; however, the owner remains responsible for the payment of any fees for environmental review services and TSSA retains the right to demand such payment from the owner instead of the invoicee at any time.
