

## COMING TO SARNIA – October 17 & 18, 2017

### Boilers and Pressure Vessels Safety Program Seminar

The Boilers and Pressure Vessels Safety Program invites you to attend two one-day seminars on:

**Tuesday, October 17, 2017 – Ontario Repairs & Alterations**

**SEMINAR # 2074502**

**Wednesday, October 18, 2017 – ASME B31.3 Process Piping**

**SEMINAR # 2074504**

**Location:** Holiday Inn Sarnia/Point Edward Hotel & Conference Centre  
1498 Venetian Blvd  
Point Edward, Ontario  
N7V 7W6

**Time:** 8:30 a.m. to 4:30 p.m. daily  
**Canatara Room**

**Cost:** \$350.00 (plus applicable taxes) per person, per day

A continental breakfast, refreshments and lunch will be provided each day for participants.

Boiler and Pressure Vessel codes and standards are continually being updated. Current knowledge of these Codes and Standards and an understanding of how they apply to you is essential to safe and efficient operation.

A Certificate of Attendance will be issued at the completion of the course.

#### **Seminar Outlines:**

##### **Ontario Repairs and Alterations**

Overview of the repair and alteration codes for boilers, pressure vessels, piping and fittings, regulatory requirements and detailed technical training. The training will cover interpretation and application of the codes and standards including material, fabrication, inspection and test requirements, as well as marking and reports.

**Who Should Attend?** All levels of an organization that are responsible to manage, implement or work to a quality system.

##### **ASME B31.3 Process Piping**

During this seminar, you will learn the requirements of the B31.3 code. The course handout books have been simplified to help the participants better understand the code.

**Who Should Attend?** This seminar will be of interest to anyone who deals with pressure piping on a regular basis, including, Plant Managers, Project Engineers, Technologists, Operating Engineers, Piping Contractors, Pipe-fitting Supervisors, and Pipe-fitters & Welders, etc.
