

# Request for a Canadian Registration Number (CRN) in Multiple Jurisdictions

## Boilers, Pressure Vessels or Fittings to be Registered in Multiple Provincial or Territorial Jurisdictions in Canada

Note: To register a design in a single jurisdiction, for example site specific installations, please contact the required jurisdiction directly.

### National Service Review Payment Options and Fee Information

**Deposit:** \$1200.00 (includes admin fee of \$500)

**A deposit for each Review is required and must be included with your submission in order to begin the process.**

The deposit amount will be applied to the fees incurred as registrations are completed in the selected jurisdictions (excluding Ontario)  
**Ontario registration will be invoiced separately.**

Please note that the **total fees** for national registration could **exceed \$3,500**.
