**Intertek Testing Services Warns Consumers of
Unauthorized ETL Certification Mark**

Intertek Testing Services (ETL) is notifying consumers and retailers of an unauthorized ETL Certification Mark on Crossing Air-Tech Systems Direct Gas Fired Industrial Air Heaters bearing an Intertek Control Number 3052031. Crossing Air-Tech Systems ETL Listing and Labeling privileges terminated on June 24, 2009. Direct Gas Fired Industrial Air Heaters with a manufacture date code after June 24, 2009 are not eligible to bear the ETL Certification Mark. The number of products in commerce with the unauthorized ETL Certification Mark is unknown.

The Crossing Air-Tech Systems Nameplate Description is shown on Page 2.
