

Enhanced Functionalities for the Elevating & Amusement Devices & Ski Lifts Safety Program

<p style="text-align: center;">Centralized Inspection Scheduling</p>  <p style="text-align: center;">Email the Inspection Request form to: EDADInspection@tssa.org</p> <p style="text-align: center;">Call 1-833-WFP-TSSA (1-833-937-8772) to schedule or reschedule an inspection</p>	<ul style="list-style-type: none"> • Centralized Contact Point for Scheduling Inspections: <ul style="list-style-type: none"> ○ Shifts inspection scheduling to a dedicated team of inspection-scheduling agents available during regular hours (8 a.m.-5 p.m., Mon- Fri) at 1-833-WFP-TSSA (1-833-937-8772) or EDADInspection@tssa.org. ○ A minimum of 24 hours notice is required when rescheduling a pre-booked inspection. • Consistent Customer Experience: Ensures consistent customer service with standard inspection lead times and inspection-type prioritization.
<p style="text-align: center;">Compliance Standards for Elevators, Escalators & Ski Lifts</p> 	<ul style="list-style-type: none"> • Prioritizes High-Risk Non-Compliances: Help industry understand safety priorities by identifying high-risk non-compliances that may pose a high risk to public safety if not addressed immediately. Compliance Standards are a list of high-risk non-compliances which, if found on a periodic inspection, will result in a follow-up inspection by TSSA to ensure compliance. Low- and medium-risk safety tasks will be documented on the inspection report and are expected to be addressed as part of regular equipment maintenance. • Safety Ownership: Acknowledges that regulated parties have the primary responsibility for compliance and are required to: <ul style="list-style-type: none"> ○ Resolve all orders within the compliance time provided ○ Resolve low- or medium-risk safety tasks within the compliance time provided without further TSSA inspection
<p style="text-align: center;">New Format for Inspection Reports</p> 	<ul style="list-style-type: none"> • Enhanced Clarity of Inspection Reports: (The new format applies to inspection reports across all programs: Elevating & Amusement Devices; Ski Lifts; Fuels; Boilers & Pressure Vessels; Operating Engineer) <ul style="list-style-type: none"> ○ Improved language ○ Display orders based on the compliance time (orders with the shortest time to achieve compliance will appear at the top) ○ Display resolved orders (if any)
<p style="text-align: center;">Consolidation of Expiry Dates for Elevating Devices, Ski Lifts</p> 	<ul style="list-style-type: none"> • Same Expiry Date for all Authorizations: <ul style="list-style-type: none"> ○ Consolidation of expiry dates gives authorization holders the option to have one expiry date for their devices for each account. The option will be available to authorization holders of elevating devices and ski lifts as of March 1, 2023. Interested applicants can request an application form by sending an email to licencingandregistration@tssa.org. ○ Customers can better manage billing cycles and pay renewal licenses at the same time for all devices.
