(Supersedes Advisory Bulletin issued November 30, 1999)

May 5, 2000

**Subject: Technical Circulars issued prior to May 5, 1997 for the  
purposes of the Boilers and Pressure Vessels Act of Ontario**

---

All technical circulars issued prior to May 5, 1997 have been reviewed and will not be issued by TSSA unless provided for in this bulletin or by written communication from TSSA. Technical circulars provided prior to May 5, 1997 were issued by the Government of Ontario i.e. MCCR, Ministry of Labour or the Department of Labour. After that date, issuance will be by the Technical Standards & Safety Authority (TSSA).

A tabulated list is provided in Appendix A under the following two categories:

- 1. Reissued**
- 2. Void**

For those circulars not listed in this Appendix, please contact Technical Standards & Safety Authority at telephone #(416)325-9227.
