Preface:

The following sets out and identifies the 2024 Technical Standards and Safety Authority (“TSSA”) and Ministry of Labour, Immigration, Training and Skills Development (“MLITSD”) examination schedule.

1. Examination Procedures:
 - a) Examination dates are subject to change/cancellation without notice. Examination candidates are required to confirm the status of their examination no later than 10 business days prior to the scheduled examination date.
 - b) On the day of the examination, candidates must produce at least one piece of acceptable government issued photo identification. The examination administrator or invigilator reserves the right to withhold an examination if a candidate fails to produce the same, the examination candidate is therefore subject to the *cancellation* requirements outlined in 4(a).
 - c) Examination candidates are required to review and understand the examination procedures, as defined on the applicable examination application form.
 - d) Examination security will be strictly enforced. The examination administrator or invigilator reserves the right to revoke an examination at any time if the examination candidate is found to be in violation of the TSSA examination or MLITSD procedures. The examination candidate will be subject to further investigation, which may result in the revocation of an authorization or restrictions may be applied to all future examinations.
 - e) Examination candidates are expected to follow the approved procedures of the examination centre or MLITSD office. The administrator or invigilator reserves the right to permit food, beverages, washroom breaks, etc. during an examination.
 - o Exceptions are considered and reviewed on a case-by-case basis; however, must be requested by the examination candidate at the time of scheduling, a minimum of 10 business days prior to the scheduled examination date.
2. Scheduling an Examination:
 - a) Examination candidates are encouraged to review the examination schedule, which is updated daily to confirm availability before submitting an examination application. Examinations are booked on a first-come, first-serve basis. Examination seats will not be held.
 - b) Examination candidates are required to submit a completed examination application via email to: examinationandcertification@tssa.org a minimum of 10 business days prior to the scheduled examination date.
 - c) Candidates are solely responsible for confirming the examination date, time and location by contacting TSSA Customer Services at [1-877-682-8772](tel:1-877-682-8772), or via email to: examinationandcertification@tssa.org
3. Re-scheduling Examinations
 - a) Examination candidates are permitted to re-schedule or cancel an examination one (1) single time after their examination has been scheduled. To meet this requirement, the examination candidate must notify TSSA in writing via email to: examinationandcertification@tssa.org a minimum of 10 business days prior to the scheduled examination date.
4. Cancellation:
 - a) Where a candidate cancels or attempts to re-schedule a confirmed examination date within 10 business days, the examination fee submitted will be forfeited and a new application and payment must be submitted in accordance with *Section 2: Examination Scheduling*.
