

What's New – BPV COI Portal for Owners

Feature	Current	New
Equipment Status	No definition provided on what the various status categories mean.	An information icon explains what each status category means: 
Certificate of Inspection (COI) Expiry Date	The COI expiry date is not available on the "Inventory" page.	The COI expiry date is now visible on the "Inventory" page so owners can monitor upcoming certificate renewals: 
Non-Compliances	Non-compliances are not available.	New "Non-Compliances" tab allows owners to see unresolved non-compliances found during inspections along with the compliance due date. (The "Inventory" page displays both resolved and open violations of each equipment): 
Bulk COI Downloads	Download COIs individually	Download multiple COIs at once:

What's New – BPV COI Portal for Owners
